WHAT ON EARTH IS A CONSORTIUM?

A **consortium** is a reciprocal agreement or association between two or more individuals, companies, organizations or governments (or any combination of these entities) whose primary objective is to participate in a common activity or pool their resources for achieving a common goal.

In 2010, Tanya White is initiating a very daring endeavor. Her *"Determined To Win In 2010™" Winners Consortium Circle* is expanding her purpose to inspire, ignite and influence men and women around the world. The purpose of *Tanya White's "Determined To Win In 2010™" Winners Consortium Circle* is to strategically connect people and to share a diverse set of resources that will help as many men and women to accomplish one common goal which is to *Win In 2010!*

With *Tanya White's "Determined To Win In 2010™" Winners Consortium Circle*, Tanya is passionately committed to dedicating her time, developing the talents of others as well as her own, in addition to depositing and receiving many invaluable treasures of wisdom, wealth and result-oriented working partnerships.

"I love receiving the tons of e-mails and calls on a weekly basis from men and women around the world who inquire about coaching, want small business/author consulting and seek advice on how I do what I do in my writing, publishing books, hosting my radio show and building a trusted brand image throughout my companies," says Tanya.

Most successful and influential people such as *Oprah, Donald Trump, Bill Gates, Beyonce', T.D. Jakes, Tyra Banks and President Barack Obama* have formed some type of consortium circle to help them manifest their dreams. No matter what level of education, experience or environment you come from, it takes a village of people to help you achieve your victory. By becoming apart of *Tanya White's "Determined To Win In 2010™" Winners Consortium Circle*, you are destined to win in your life, love and all things above.
